

Forest Marking Colour

LOS 5600 ff.

Description:

- Special marking spray for durable marking
- Frost-proof, ecological long-time marking
- Odourless
- Special spray head with write nozzle
- High shining and cover strength
- Small danger of pollution
- Free from FCKW and heavy metals
- High productivity by maximum agent-part
- Ideal suitably for wood, metal, concrete and stone markings

Characteristic:

High-quality synthetic varnish with intensive durable glow-pigment.

Operational areas:

For all marking work in the forest and road range.

Application:

Vibrate strongly before use. Spraying distance approx. 10-25 cm.

Dry after approx. 1-5 minutes.

After use over head, spray so long, that only gas withdraws.

Technical Data:
